

# BRICKLAYERS AND ALLIED CRAFTS LOCAL 3, CA

## Joint Apprentice Training and Education Committee

---

### WELDING CERTIFICATION REIMBURSEMENT PROGRAM

This program is available to all current BAC 3 members. Welding courses must be applicable to work processes performed by BAC craftworkers and their employers.

Applicants for welding certification course enrollment and reimbursement must submit the following documentation to the JATEC for approval prior to enrollment:

- Member Name, IU number, Phone, Email, Employer
- Location of course
- Duration of course (including start date, end date and total hours required)
- Cost of course
- Type of certification provided upon completion

To ensure processing of applications all course documentation must appear on training provider letterhead. All applications will be reviewed by the JATEC and applicants will be notified of approval within 30 days.

Upon conclusion of training, submit evidence of course completion and/or certificate of completion to the Apprenticeship Office for reimbursement of the approved cost of the course. Reimbursement will not be made to students who do not successfully complete the training.

For questions regarding training requirements please contact the Apprenticeship Office  
Mason Development Center-(209)830-7200 ext.5 between 8:00 am and 4:00 pm M-F
